BLUE FORCE GEAR®
Always Better®

MTKN!® - NANO ES

The Micro Trauma Kit NOW! – NANO ES delivers the same medical supply load as the original MTKN! in a smaller package optimized for duty belts, range belts, and MOLLE platforms.

Its removable insert provides fast, one-handed access to organized medical supplies through Blue Force Gear's BLIP pull tab. Belt and MOLLE configurations can be mounted vertically or horizontally to fit the user's loadout.

Available with the PRO medical supply configuration, the NANO ES keeps essential trauma supplies organized, accessible, and ready when needed. Small enough to carry every day. Capable when it matters most.
