The Ten-Speed® Double M4 Pouch is a multi-use magazine pouch that is the perfect blend of speed and security. Made of military grade elastic, the Double M4 Pouch holds two M4 mags or similar sized items in size such as flash bangs or trauma dressings. When empty, the pouch lies flat for less bulk. The Helium Whisper® attachment system is 26% lighter than the previous BFG legacy version, making it the lightest magazine pouch on the market.
